I. Officer's Reports

President—Kristen Borth welcomed the new PTA Board for 2008/2009. Kristen gave Liz Price flowers and a scrapbook for their service as PTA President on behalf of the PTA. Kristen handed out a complete calendar of all the PTA meetings and events, principal coffees, and school event dates for 2008/2009. PTA meetings will once again alternate between Tuesday and Friday with an evening meeting in November. Some of the event dates are tentative because the District has not finalized its calendar yet. The finalized calendar will be voted on in September. A motion was made and seconded, and the provisional calendar was approved by the members.

1st Vice President—Jennifer Masserelli Reported that there is a new plastic bin for committee mail. Please check your committee folder for mail regularly throughout the year

Treasurer—Laura Olson thanked Miriam for setting up the new financial software for her. Being treasurer will be easier in the coming year because of her work.

I. Unfinished/New Business—

Laura Olson presented the 2008/2009 budget for provisional approval. A motion was made to accept the budget. It passed. The final budget will be approved at the September meeting after the books for the 2007/2008 year have been closed.

Jen Farber announced that she will once again chair next year's benefit. She will have an auction chair this year—Kathleen Butler. Kathleen will then become the benefit chair for the next year. The benefit will be held on February 28' 2009 at Sunset Ridge Country Club. This was suggested by a member. The facility looks great, and it will actually be cheaper than last year. If anyone has ideas for a band for

the event, let Jen Farber know. Everyone enjoyed the live band this year. Unfortunately, the band booked for this year has become too popular and will be too expensive for next year. If anyone has any other creative ideas, let her know. In September, they will begin setting up committees and looking for volunteers
