The Lyon/Pleasant Ridge PTA is an organization committed to helping parents become and stay involved with their children, teachers, staff, and school. We also focus on ways to educate and encourage parents to stay informed about educational issues.

One of the PTA's goals this year is to gain additional teacher and staff involvement in our communication, programs, and in setting our group's priorities. We need your help to accomplish that!

By joining, you also become a member of the Illinois State PTA and the National PTA. In joining you will add another voice in supporting various efforts to keep our children safe and provide better learning environments. An example of recent PTA voices being heard was the Illinois PTA's involvement in getting safety arms on the front of school buses.

We invite you to join the PTA for a reduced annual fee of \$3.25 through the month of October. To become a member, just fill in the form below, include payment and drop in the PTA mailbox in the office.

Thank you in advance for supporting PTA.
