

# Picasso Polka

One eye looks straight ahead, the other to the right  
My arm is where my leg should be  
My pants are kinda tight  
I don't know what is wrong with me  
I think Picasso painted me  
It looks like I've been in a fight

## CHORUS:

One eye is looking sideways, Picasso Polka  
They other's looking my way, Picasso Polka  
I might be sort of Cubey, Picasso Polka  
Maybe rose, maybe blue, Picasso polka

My head it once was round, but now it is a square  
My elbow has three bends in it  
My foot looks like a chair  
I don't know what is wrong you see  
I guess Picasso painted me  
It looks like I've been in a fight

## CHORUS

My hair is kind of blue  
My house is kind of blue  
The sky is sort of blue  
I'm thinkin he was blue  
I don't know what is wrong you see  
I guess Picasso painted me  
It looks like I've been in a fight
