

April 17th, Lyon School 9:15am

Erik, Stefanie, Jessica, Stephanie, Kate, Megan, Dawn, Katie King, Allison Alden

Science Fair

Kids worked really hard, some felt like they needed more lead time to prepare

Timing was tough this year being right after spring break

Feedback: Kids had to wait around for judges, need more judges for next year

40 or so groups this year, had 7 judges...hard to get through all of those people

Also, should communicate that people can leave after the judges come by
