

Craft directions for Snow Globes  
"Sugaring Off" by Grandma Moses

Materials needed for each child:

- 1) Glitter
- 2) Small plastic miniatures or trinkets in a wintry theme: i.e., snowmen, snowflakes, small birds, etc.-you'll need one or two per child
- 3) Water
- 4) Hot Glue Gun
- 5) Baby food jar (for each child)

Directions:

1. Child will select items to be glued into the jar lid. Be sure to let children know the number of things that they may choose to have glued into their jar. Adults will assist with hot gluing these items.
2. Fill the jar with water-about half way and put some sprinkles of glitter into the jar.
3. Put the jar lid on in the normal, screwing it on tightly.
4. Turn the jar upside down to make the snow fall.
